

## *The Little Tea Book*

ARTHUR GRAY

*After all, tea is the drink! Domestically and socially it is the beverage of the world. There may be those who will come forward with their figures to prove that other fruits of the soil—agriculturally and commercially—are more important. Perhaps they are right when quoting statistics. But what other product can compare with tea in the high regard in which it has always been held by writers whose standing in literature, and recognized good taste in other walks, cannot be questioned?*

A Little Tea Book is a clever book about all things tea- Eastern and Western tea history, stories, culture, quotes, and even poetry. A good little read for tea lovers everywhere.
