Gentle Measures in the Management and Training of the Young

by Jacob Abbott (1803-1879)

Subtitled, "The principles on which a firm parental authority may be established and maintained, without violence or anger, and the right development of the moral and mental capacities be promoted by methods in harmony with the structure and the characteristics of the juvenile mind." This book gives practical advice on how to raise children using "gentle measures" that do not damage the children's emotions or self esteem. Most of the information is as relevant and practical today as it was when published in 1871.

This project has 30 files and a total running time of 10:01:05.

Read by Nodo420, Sandra Luna, ashleighjane, redhed3095, Debra, TriciaG, elmay, Pamela Krantz, Jon Ingram and Bill Mosley

Dedicated Proof-Listener: Sandra Luna
